Mini's Week

For all beginner skiers under the age of six (born in 2018 and later), during the Mini's Week from the 13th to the 27th of January 2024, both the ski course (either 5x half day or 3x full day) as well as the ski rental equipment, a varied entertainment programme and the ski pass are available for only € 164 per child. In many accommodations in Ski amadé, children also stay in their parents' room for free.

Easter Family Special

Easter doesn't just last four days in Ski amadé, but from the 16th of March 2024 to the end of the season. During this time, children up to the age of 15 (born in 2008 and later) ski for free if at least one parent buys a 6-day ski pass. The Easter Bunny also has many attractive events and offers for families in all Ski amadé resorts in his basket.

Price example: 7 nights in a holiday apartment, incl. 6 day ski passes for four people (2 adults and 2 children) from € 1,475.

Junior Weekend Bonus

Ideal for day guests: every weekend the ski pass for children (born 2008 – 2017) and youths (born 2005 – 2007) is reduced.

Price: The day ticket then costs € 24 per day for children and € 36 for youths.

Young family ticket

A ski pass for families with a non-skiing infant born in 2021 and later. This ticket can be used by either parent. This means that one parent can always look after the toddler and the other parent can spend the day on the slopes with the siblings. The ski pass is available for 2 to 18 days and also as the ALL-IN Card White.

Family bonus

This is how family friendliness works: When buying a Ski amadé ski pass, the third child and all younger siblings (child or teenager) get the ski pass for free if at least one parent and the two older siblings (child or teenager) buy a ski pass for the same validity period. In the case of the ALL-IN Card White, the purchase of the ALL-IN Card White for the parents is not necessary.
